
The Prayer Lines Behind the Bylines

A journalist shares inspiring stories from her spirited journey

EXTRA! EXTRA! Read all about how heavenly assignments placed author Ann Hauprich in the paths of powerful souls, kindred spirits and earthly angels — some of whom were earning their wings the hard way. Uplifting tales of unshakable faith, unsinkable hope and unconditional love abound within this book's covers. Bonus chapters include reflections on the softer side of late *60 Minutes* commentator Andy Rooney, a stroll down Memory Lane led by actor David Hyde Pierce and why there's much ado about Marylou Whitney. This richly illustrated nearly 300-page literary labor of love also takes a behind-the-scenes look at a film project that is based upon the true story of a courageous young immigrant's fight for justice in upstate NY a century ago that continues to inspire today.
